

2010 CSA Program Information

The 2010 Season runs from May 16 through October 30. Pickups will occur each week at your selected location.

Families and individuals who join the CSA Program receive a share of produce every week during the growing season.

- **Full share: \$420** - 7 to 9 produce items, enough for a family of four for the week, or;
- **Partial share: \$280** - 4 to 6 produce items per week, enough for a couple or family with very small children, or;
- **Individual share: \$175** - 4 to 6 produce items per week, in smaller quantity than a partial share, suitable for a single individual.

A \$30 deposit is required for each share reserved. **A 10% discount will apply to all shares paid in full by December 31, 2009.** You may pay in installments on a schedule of your choosing; all shares must be paid for in full by May 1st.

Reserved shares may be cancelled prior to March 1st and receive a refund of the deposit and any payments made toward the share price. Cancellations made after March 1st will result in a forfeiture of deposit.

I/We understand and commit to the following:

- To share with the farmer the risks and rewards of small-scale sustainable farming: weather; insect damage; bumper crops, etc.
- To pay for my share in full by May 1, 2010 or lose my spot and forfeit my deposit. I must cancel my reserved share before March 1, 2010 to receive a refund of my deposit and any payments made toward my share.
- Shares will vary in weight and contents depending on the season and growing conditions.
- To pick up my share at my chosen location during the designated time or send someone else (friend, relative, etc.) to pick up for me.
- To contact the farmer at least one day in advance to request a change to my pick up location that week. I further agree to allow the farmer to give my week's share to a local food pantry or needy family of their choosing if I fail to pick up.

NV Ranch commits to:

- Do its best, in good faith, to provide each share in the listed amounts for each program for the full 24 weeks of the harvest season.
- Provide a weekly newsletter via e-mail and posted on our website, which includes recipes and storage information on the produce being received that week.
- Practice safe-handling procedures to ensure that the items in each share are at their freshest, tastiest, and most nutritious.
